CHS BOYS SOCCER

Boosters

Hello Friends and Supporters,

I am reaching out on behalf of the Claremont High School Soccer Program to invite you to partner with us in supporting our student-athletes. Our organization is dedicated to empowering young male athletes by providing the necessary resources to help them achieve excellence both on the field and in the classroom. Through athletics, we strive to instill discipline, teamwork, and perseverance—qualities that prepare our athletes for lifelong success.

As our program receives no direct funding from the school district, we rely solely on community partnerships, sponsorships, and fundraising efforts to sustain operations. We would be honored to include your organization among our valued supporters through one or more of the following opportunities:

- ★ **Direct donations** to the program
- ★ **Banner sponsorships**, displaying your company's name at our stadium field
- ★ **In-kind donations**, such as gift cards, products, or merchandise

All contributions are **tax-deductible** and directly benefit our athletes by funding:

- Tournament fees
- Equipment (balls, nets, cones, pinnies)
- Uniforms and gear
- Bus transportation
- Snack bar
- End-of-season banquet

Your partnership will not only enhance our athletes' experiences but also demonstrate your company's commitment to youth development, education, and community engagement.

We sincerely thank you for considering this opportunity to make a lasting impact on our program and our student-athletes.

Warm regards,
Ashley Frandsen
